Newyddion Mehefin 2016

From the Chairman

We have had yet another great month. Firstly, I would like to congratulate Pam Munro on being elected vice-chair of the U3A and I look forward to working with her. I would also like to thank Caroline David for stepping into the breach at short notice and fulfilling the vice chair role for the period when vacant. The monthly talk by Peter Cox on the History of John Lewis and Waitrose was very well attended and gave dazzling insights into the story by someone intimately involved. I would like to thank all those who assisted and those who attended the very successful Annual Gala Coffee morning and Spring Fair in the Hi Tide. I have started attending each of the interest groups and have been struck by the incredible enthusiasm for each of them. With such commitment the U3A is on solid ground indeed and I hope, over the next few months, to visit all groups.

At the Special General Meeting of Members held on 11th May **Pam Munro was elected Vice Chairman** and the following members were appointed **Life Joint Presidents** in recognition of their outstanding service to and support of our U3A over many years: **Gwyn Davis, Dr David Parry and Rod Thomas.**

Friday 10th June 10.30am at the RAFA CLUB, Station Hill: New Members' Coffee Morning

We wish to invite all new members who joined this year, as well as our other members, to an informal Coffee Morning on Friday 10th June at the RAFA CLUB, Station Hill, 8 New Road, Porthcawl. You will meet members of the committee and interest group convenors who are able to attend. There will be a warm welcome for all members.

Pam Munro (tel. 783751)

Wednesday 8th June 2.15pm at the Hi Tide Talk by Malcolm Cowper: *Glamorgan's Greatest Generation*

Malcolm, who is a member of the committee of our U3A, will read extracts from his recently published book *Glamorgan's Greatest Generation*, a collection of memories of local people who lived through the Second World War. These range from bomber crews to prisoners of war, but also include women who worked in the factories to replace the men and children growing up in a world of bombing raids, gas masks and evacuation. It is a story of ordinary people living through extraordinary times, and captures the comradeship, humour and sense of duty that carried them through fear, loss and sacrifice. It is sure to be a fascinating afternoon, so do come along if you can.
